

## DM2 Software eCardLink Web Portal for Cardlock Marketers

**DM2 Software's  
Cloud-hosted eCardLink  
Web Portal provides your  
customers with access to  
the following CardLink  
information:**

- **Account, Driver and Vehicle Cards**
- **Passwords and Addresses**
- **Transactions**
- **Fuel Summary Reports**
- **Billing Statements**
- **Invoices**

Spending too much time responding to your cardlock customers' requests to maintain cards, change passwords and provide them with copies of fuel summary reports, billing statements and invoices? By adding DM2 Software's Cloud-hosted eCardLink Web Portal to your web site, you can give your cardlock customers self-service access to their CardLink information 24 hours a day, 7 days a week from any web browser, freeing your employees up to focus on growing your business. The eCardLink Web Portal automatically synchronizes with your CardLink module to provide your cardlock customers with up to date information. And, eCardLink's login screens can easily be customized with your company color scheme and logo to give your cardlock customers a seamless experience when they visit your web site.

DM2's Cloud-hosted eCardLink Web Portal gives your cardlock customers access to perform the following functions:

- **Maintain Account, Driver and Vehicle Cards**
- **Change Passwords and Addresses**
- **Transaction Inquiries**
- **Generate Fuel Summary Reports**
- **Generate Billing Statements**
- **Re-print Invoices**

## ABOUT DM2

Since 1989, DM2 has been developing software and working to help diversified petroleum marketers to increase market share and improve profitability through automation. DM2, a Sage Software Master Developer and Reseller since 1991, uses Sage 100 ERP (formerly Sage ERP MAS 90 and 200) and Sage CRM, ERP (enterprise resource planning) and CRM (customer relationship management) systems designed for general wholesale distribution applications, to develop, sell and support *Petroleum Insights*, a fully integrated accounting/ERP and CRM system designed specifically for petroleum marketers. DM2's *Petroleum Insights* system offers all of the core financials, fuel, lubricants, home heat/propane, cardlock, c-store, supply chain automation, advanced business analytics, customer relationship management, fixed assets, paperless office and eCommerce modules petroleum marketers need to manage and grow their businesses. DM2 is a proud member of the Sage Software President's Circle and has ranked as a Top 10 Sage 100 ERP reseller since 1999.

For information on DM2 Software products and services, e-mail, [sales@dm2.com](mailto:sales@dm2.com), call (800) 866-5151, or visit the DM2 Software website at [www.dm2.com](http://www.dm2.com).
